

# solidarity Share Fair

Call for donations and volunteers!

The Share Fair is a monthly *\*really free\** market that provides a variety of material resources, services, and food to the unhoused, under-housed, and working class communities in a safe and fun environment. The Share Fairs have been successful with the help of volunteers and donations as we work towards cultivating different forms of mutual aid within the community.

We are seeking donations and volunteers passionate about affecting positive change in the community to help make this happen! If you'd like to volunteer for the Solidarity Share Fair, please visit [neighborhoodanarchists.org/share-fair-volunteer](http://neighborhoodanarchists.org/share-fair-volunteer) to sign up!

*The Share Fair happens the last Tuesday of every month!*
