

The Lane Equity Coalition presents:

#LiveHealthyLane

Healthy Neighbors: Supporting Resiliency in Immigrant Communities

Hosted in partnership with the Integration Network for Immigrants of Lane County.

The Lane Equity Coalition envisions a community where **all** people can live a happy, healthy life. Immigrants experience worse health outcomes than others in our community. Overall community health is improved when everyone has access to health and healthcare. Join us to better understand the impact of immigration status on community health, and how we can work together to create safer, more welcoming spaces for all.
