Transportation

Night Stop

Allows passengers to get dropped off at any safe point along a bus route, even if it's not a regular stop. This service is available after 7 p.m. on all bus routes except EmX. To request a Night Stop, tell the bus operator where you want to get off when you board. It's also a good practice to remind them a block away from your stop. The bus operator will then drop you off at the safest place near your requested location.

Safe Place

All LTD buses are nationally recognized mobile Safe Places and can be used by youth as a place to go for immediate help. Safe Place is a network of youth friendly businesses, schools, fire stations, libraries and other public locations that display the distinctive yellow and black Safe Place sign. Any youth in crisis and in need of a safe place should locate an LTD bus operator or supervisor, public safety officer or customer service representative for assistance. LTD will then contact Looking Glass Youth and Family Services to ensure the safety of any youth who may require help. Visit NationalSafePlace.org for more details.

To learn more about these services, visit <https://www.ltd.org/courtesy-service/> • <https://www.ltd.org/p2p-options/>

Additional services offered in Spanish: [La Guía Bilingüe de Servicios Sociales del Condado de Lane](#)
